**Intended Audience:**
The intended audience for this conference includes primary care physicians and specialists in emergency medicine, neurology, and neurosurgery. Residents, fellows, advanced practice nurses, nurses, radiology technicians, and other physicians with an educational need or interest in this topic may also attend.

**Overall Learner Objectives:**
This symposium will serve to unite multiple health systems with the common interest of improving stroke patient care and outcomes and will feature presentations by specialists in the management of acute stroke and neurovascular emergencies. Topics will include best practices utilized across the nation to reduce door-to-needle times, improve patient outcomes, and improve patient and general medical provider recognition of acute strokes and neurovascular emergencies.

Discussions will also be held regarding new guidelines released by the American Heart Association and American Stroke Association. Other sessions include case reviews, simulation models, panels with experts within the fields of emergency medicine and vascular surgery, and a nursing panel that will offer the perspective of those who are with the patients throughout their entire hospitalization.

Participants will leave with a greater understanding of the complex nature of acute stroke and neurovascular emergencies, and what the future may hold for this dynamic field of medicine.

**Accreditation/Designation/Disclosure:**
The Cooper Health System is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The Cooper Health System takes responsibility for the content, quality, and scientific integrity of this CME activity.

The Cooper Health System designates this live activity for a maximum of 7.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 7.5 MOC points in the American Board of Internal Medicine’s (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

Successful completion of one hour of a continuing medical education (CME) course recognized by the American Medical Association, the American Osteopathic Association, or the American Podiatric Medical Association is equal to one hour of continuing education for New Jersey nursing license renewal (New Jersey Board of Nursing 13:37-5.3).

All faculty participating in continuing medical education activities sponsored by The Cooper Health System are expected to disclose to the audience any real or apparent conflict of interest related to the content of their presentation.

South Jersey Neurovascular and Stroke Symposium

Wednesday, May 10, 2017

Agenda

8:00 AM – 9:00 AM  Registration/Breakfast
9:00 AM – 9:10 AM  Welcome
H. Warren Goldman, MD, PhD

A Comprehensive Stroke Hospital

9:10 AM – 9:45 AM  Moving Parts of a Comprehensive Center
Bethann Mercanti, PA-C

Ron Murphy, MICP, NRP

10:20 AM – 10:35 AM  Break

First Line in Patient Evaluation

10:35 AM – 11:20 AM  Emergency Department’s Role in Stroke Care
Rick Hong, MD
Steve Pecora, DO
Matthew J. Warner, MD

Basic of Neuroangiography – Case Review

11:20 AM – 12:00 PM  Tod L. Siegal, MD

Luncheon with Breakout Sessions (Select One.)

12:00 PM – 1:00 PM
A) Nursing Panel: Continuum of the Stroke Patient
Shawn Donnelly, RN
Christina Fox, RN, BSN
Elizabeth Lee, RN

B) Flow Models
Mike Swierczynski, RT(R)(CV), MS, R.R.A.

C) Future of Telemedicine
Rajiv Narula, MD

Advanced Stroke and Neurocritical Care in a Comprehensive Center

1:00 PM – 1:30 PM  New Stroke Guidelines
Ryna K. Then, MD

1:30 PM – 2:15 PM  Endovascular Stroke Intervention
Bryan Pukanas, MD

2:15 PM – 2:45 PM  Developing a Neuro ICU and Basics of Neurocritical Care
Jose L. Trani, MD
Tapan Kavi, MD

2:45 PM – 3:00 PM  Break

Endovascular Treatment of Cerebrovascular Diseases

3:00 PM – 3:45 PM  Multispecialty Carotid Disease Panel
Hamza A. Shaikh, MD

3:45 PM – 4:15 PM  Aneurysm Treatment with Pipeline Devices
Pascal Jabbour, MD

4:15 PM – 5:00 PM  Endovascular Treatment of Traumatic Vascular Injuries
Hamza A. Shaikh, MD

5:00 PM  Adjournment

Activity Director:
Hanza A. Shaikh, MD
Co-Director, Neurointerventional Surgery
Department of Diagnostic Imaging
Cooper Neurological Institute
Cooper University Health Care
Camden, NJ

Additional Faculty:
Hayan Dayoub, MD
Co-Director, Neurointerventional Surgery
Department of Neurosurgery
Cooper Neurological Institute
Cooper University Health Care
Camden, NJ
Shawn Donnelly, RN
