

The Center for Resuscitation Education and Community Engagement has implemented an additional course option for Cooper physicians and APPs to complete their AHA ACLS and BLS renewal certifications. This option allows providers to complete renewal requirements via pre-course work completed at their own pace, followed by an in-person 2-hour skills assessment. This course replaces the 8 hours in person class previously required for all advanced providers.

ACLS/BLS Renewal for Cooper Physicians and APPs ONLY

This course is available exclusively to Cooper physicians and APPs and is only applicable for renewal courses. This format allows the provider to complete classroom and written exams on their own time, followed by a two hour in-person skills assessment. Upon successful completion of this course the provider will be certified in AHA ACLS and AHA BLS for a period of two years.

BLS Provider/Renewal for Cooper Physicians and APPs ONLY

This course requires the provider to complete the AHA BLS online Heartcode followed by a 30 minute in-person skills assessment. Upon successful completion of this course the provider will be certified in AHA BLS for a period of two years.

Please follow these steps to register for a class:

STEP 1: Access the course registration page by visiting www.cooperhealth.org/cpr and clicking on:

See schedule of available classes and register here.

STEP 2: Select the course you for which you need to register by clicking on the course title:

ACLS/BLS Renewal for Cooper Physicians and APP ONLY (Hybrid)
_____ (Online + In person) _____

OR

BLS Provider/Renewal for Cooper Physicians and APP ONLY (Hybrid)
_____ (Online + In person) _____

STEP 3: Click on the date that you would like to attend from the list of available classes and complete your registration.

PROMO CODE: Enter “**cooperprovider**” in the promo code field. The cost will then reduce to \$0.

****IMPORTANT:** *Cooper employees are required to register under their Cooper email address.* Any Cooper employee who registers for a class under their personal email address with the Cooper provider promo code will be required to re-register for the class.

STEP 4: **ACLS/BLS Renewal course:** Complete pre-course requirements and online exams as outlined in course confirmation email.

BLS Provider/Renewal course: Complete BLS online Heartcode as outlined in course confirmation email.

STEP 5: Attend in-person skills assessment with all required pre-course work completed.

Please contact the Center for Resuscitation Education and Community Engagement at CPR@cooperhealth.edu for additional information.
