CONTINUING MEDICAL EDUCATION

The Evolution of Precision Medicine in Cancer Care

Tuesday, May 14, 2019

Agenda:

5:45 PM – 6:05 PM

6:05 PM – 6:10 PM

6:10 PM – 6:40 PM

6:40 PM – 7:10 PM

7:10 PM – 7:20 PM

7:20 PM – 7:50 PM

7:50 PM – 8:20 PM

8:20 PM – 8:45 PM

Registration/Buffer Dinner

Welcome/Pre-evaluation

Keynote: Overview of Precision Medicine
Generosa Grana, MD, FACP

Clinical Genetic Testing
Pallav K. Mehta, MD

Break

Genomic Testing and the Molecular Tumor Board
Jamin C. Morrison, MD

The Latest Clinical Advances in Immunotherapy and Other Targeted Therapies
Robert A. Somer, MD

Question and Answer Period/
Post-evaluation

Intended Audience:

The intended audience for this conference includes primary care physicians, obstetricians, gynecologists, gastroenterologists, medical oncologists, surgical oncologists, and radiation oncologists. Fellows, residents, physician assistants, advanced practice nurses, genetics professionals, tumor registrars, and other allied health professionals with an educational need or interest in this topic may also attend.

Overall Learner Objectives:

- Describe current approaches to genetic testing for hereditary cancer syndromes
- Identify potential benefits and limitations of the multigene panel testing approach for hereditary cancer syndromes
- Discuss the implications, risks, and benefits of genetic testing for the individual and their family
- Understand the role of genetics and genomics in cancer care
- Discuss evolving indications for hereditary cancer genetics and precision medicine in oncology
- Discuss the role of immunotherapy and other targeted therapies in cancer care

Activity Director:

Robert A. Somer, MD
Head, Division of Hematology and Medical Oncology
MD Anderson Cancer Center at Cooper
Cooper University Health Care
Professor of Medicine
Cooper Medical School of Rowan University
Camden, NJ

Additional Faculty:

Generosa Grana, MD, FACP
Division of Hematology and Medical Oncology
Director, MD Anderson Cancer Center at Cooper
Cooper University Health Care
Professor of Medicine
Cooper Medical School of Rowan University
Camden, NJ

Pallav K. Mehta, MD
Director, Integrative Oncology
Director, Practice Development
MD Anderson Cancer Center at Cooper
Cooper University Health Care
Assistant Professor of Medicine
Cooper Medical School of Rowan University
Camden, NJ
Chief, Division of Hematology and Medical Oncology
Medical Director, Bott Cancer Center
Holy Redeemer Hospital
Meadowbrook, PA

Jamin C. Morrison, MD
Division of Hematology and Medical Oncology
MD Anderson Cancer Center at Cooper
Cooper University Health Care
Assistant Professor of Medicine
Cooper Medical School of Rowan University
Camden, NJ

Or e-mail ALL of the registration information requested below to:
CME@cooperhealth.edu

Or register on-line: events.cooperhealth.org

No registrations by telephone will be accepted.

A notice will be sent to you to confirm your registration.

Pursuant to the Physician Self-Referral Law (Stark Law), Cooper is limited in the amount of nonmonetary compensation that it may provide to physicians. To ensure that it meets these regulatory limitations, Cooper documents the monetary value of your participation in each Cooper CME activity. If the monetary value provided to you would exceed these regulatory limits, you must pay to participate in the additional CME. Should you have any questions or wish to discuss this further, please contact Cooper's Compliance Department at (856) 536-1309. Thank you for your interest in the CME opportunities.

Cancellation Policy: The Cooper Health System reserves the right to cancel this conference due to insufficient enrollment or other unforeseen circumstances.

Please Note: If you are unable to attend after registering, please contact us as soon as possible at (856) 382-6480.

Accreditation/Designation/Disclosure:

 The Cooper Health System is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The Cooper Health System takes responsibility for the content, quality, and scientific integrity of this CME activity.

The Cooper Health System designates this live activity for a maximum of **25 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

 Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to **25 MOC points** in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

Successful completion of one hour of a continuing medical education (CME) course recognized by the American Medical Association, the American Osteopathic Association, or the American Podiatric Medical Association is equal to one hour of continuing education for New Jersey nursing license renewal (New Jersey Board of Nursing 13:37-5.3).

All faculty participating in continuing medical education activities sponsored by The Cooper Health System are expected to disclose to the audience any real or apparent conflict of interest related to the content of their presentation.
