

MUSIC & MEDICINE

DENIS DIBLASIO PLAYS JAZZ

Join us for a live discussion of humanism and medicine as it is brought to life by the world of jazz. Renowned performers, Denis DiBlasio and Brian Betz, will lead an interactive session to highlight the delicate intricacies of the humanistic approach to patient care where the art of medicine and music harmonize.

This event is brought to you by the CMSRU Center for Humanism & the student members of the CMSRU Chapter of the Gold Humanism Honor Society.
