

Encourage a Cooper hero with your child's art!

Support Cooper's Health Care Heroes caring for COVID-19 patients.

Here is how your child can help support our heroes:

1. Draw a colorful picture with a message of thanks, encouragement, and appreciation to the brave Cooper nurses, doctors, interns, medical students, EMTs, and staff who are working around the clock to keep our community safe.
2. Be creative. Be colorful. Be kind. Use art supplies you already have at home.
3. Include child's first name, age, and town or name of school.
4. Take a close up photo of the picture (excluding child) and email to: perry-marygrace@CooperHealth.edu
5. Email artwork as soon as completed or by **April 15, 2020**.
6. The artwork will be displayed at Cooper University Hospital and on social media.

You can make tomorrow a brighter day for a Cooper Health Care Hero.
Thank you for your support!
