

## Featured Update #4

**Language Support Update:** Programs can now be shared in languages other than English. Non-English notifications are available for:

- Individual program share via email
- Individual program share via text
- Bulk program share via email
- Favorites folder share via email

Another cool feature is that the links shared in these notifications will set the site into the same language when they access the link so they don't have to translate the page

**Tell someone about this program!** ✕

 SEND AN EMAIL    SEND A TEXT    SHARE ON FACEBOOK

**Your Name\***

Your name (so they'll actually open it).

**To\***

Phone number of the person you're sending this to.

**Text Message Language**

 We'll text them about this program and let them know you sent it.
