

For ourselves.

**For our
loved ones.**

**Let's get back
to the moments
we love with
the people
we love.**

**Let's get
vaccinated.**

- COVID-19 vaccines don't contain viruses and can't give you viruses.
- The vaccine will help save your life and the lives of people you love.
- The vaccine is safe and critically important for people who use drugs and people in recovery.
- The vaccine is endorsed by doctors at Cooper, the New Jersey Department of Health, and the CDC.
