Vice Chair for Faculty Affairs and Faculty Development
Thomas Jefferson University**

Location: CMSRU Auditorium

Tuesday, November 15, 2022

7:00 a.m. – 8:00 a.m.

The Cooper Health System is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The Cooper Health System takes responsibility for the content, quality, and scientific integrity of this CME activity.

The Cooper Health System designates this live activity for a maximum of 1 AMA PRA Category 1 Credit™ per session. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of one hour of a continuing medical education (CME) course recognized by the American Medical Association, the American Osteopathic Association, or the American Podiatric Medical Association is equal to one hour of continuing education for New Jersey nursing license renewal (New Jersey Board of Nursing 13:37-5.3).

The learner objective for Surgery Morbidity and Mortality is to improve patient care by gaining new information about therapeutic interventions, management principles, technological advancements, and prevention through surgical case presentation with a review of the relevant literature and staff discussion.

The learner objective for Surgery Grand Rounds is to improve patient care by gaining new information about therapeutic interventions, management principles, technological advancements, and prevention.

The intended audience for both series includes surgeons and surgical specialists within the Department of Surgery. Other health professionals including fellows, residents, medical students, and nurses may also benefit from participating in these educational activities.
