

RADIOLOGY GRAND ROUNDS

Breast Implants: Clinical Concerns for Evolving Technology

Lino Frank Miele, MD, MS, FACS
Plastic and Reconstructive Surgeon
Cooper University Hospital
Assistant Professor of Surgery
Cooper Medical School of Rowan University

Tuesday, February 28, 2023

Noon to 1 p.m.

Location/Format: CC121/WebEx

The Cooper Health System is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The Cooper Health System takes responsibility for the content, quality, and scientific integrity of this CME activity.

The Cooper Health System designates this live activity for a maximum of *1 AMA PRA Category 1 Credit™* per session. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of one hour of a continuing medical education (CME) course recognized by the American Medical Association, the American Osteopathic Association, or the American Podiatric Medical Association is equal to one hour of continuing education for New Jersey nursing license renewal (New Jersey Board of Nursing 13:37-5.3).

All planners, faculty, and others participating in continuing medical education activities sponsored by The Cooper Health System are expected to disclose all financial relationships. Documentation will remain on file in the Department of CME.

All planners, faculty, and others for this CME activity have no relevant financial relationships with a commercial interest/ineligible company that may have an impact on this CME activity.

The **learner objective** for this series is to expand the knowledge of the participants on the latest topics of research and image-guided diagnosis and treatment of disease entities. This series will also highlight new technological advancements and innovations in the field of radiology.

The **intended audience** for this activity includes primary care physicians and specialists in diagnostic radiology and interventional radiology and other physicians with an educational need or interest in this topic. Fellows, residents, medical students, nurses, and allied health professionals may also participate.
