

# Cooper's Paid Critical Care Tech Internship Program

**Cooper is partnering with Camden County College and Impact Charity Services, Inc. to offer our internal employees the opportunity to be part of our Critical Care Tech Internship program here at Cooper.**

**Start Date: Tuesday, April 18, 2023 • End Date: Thursday, July 27, 2023**

It will be a total of 30 classroom and semi lab training sessions, 13 hours/week of training, 6.5 hours of training on Tuesdays and Thursdays, 3:30 p.m. – 10 p.m. A stipend will be provided midway through the training and at completion of the training.

## **To be eligible for consideration you must...**

- Apply to requisition # 66649 by Monday, April 10, 2023.
- Must be in current role or employed at Cooper for minimum of 1 year.
- Must be eligible to transfer upon completion of this internship program.
- No active discipline.
- High school diploma or GED is required. Must provide to HR Recruitment within 24 hours of applying.
- Provide two letters of recommendation at time you apply online; one letter of recommendation must be from your current Cooper manager.
- Be able to successfully fulfill your current work schedule and complete the required 187 didactic hours and additional clinical hours of our internship program.

*You will be required to sign a Critical Care Tech Internship Program Agreement.  
Note: this program is currently available to 10 positions*
