

# Peace OF MIND

Join Cooper University Health Care for the viewing of *“Peace of Mind,”* an ESPN documentary featuring Riley Cote, former NHL Player. In a fireside chat before the screening, Riley will share his personal story and experience for his inclusion in this documentary. Following the screening, an expert-led panel will discuss innovative neuromodulation therapies for mental health disorders and pain management. Reception to follow.

**Wednesday, April 26, 2023**

5 p.m. to 8 p.m.

Cooper Medical School of Rowan University - Auditorium  
401 South Broadway | Camden, NJ 08103

Public parking is available at the Cooper University Hospital parking garage at One Cooper Plaza. There are two entrances to the garage. One entrance is located on Dr. Martin Luther King Blvd. at South 6th Street and the other is on Benson Street. See our campus map at [www.cooperhealth.org/campus](http://www.cooperhealth.org/campus). Attendees' parking will be validated.

Registration is required as seating is limited. Visit [www.cooperhealth.org/peace-of-mind](http://www.cooperhealth.org/peace-of-mind) to register for this free event.
