Upcoming Trainings:

March 2024: Cooper Innovation Center & The NEW Inventor Portal
Tuesday, March 12th, at 12pm
This training will be offered <u>virtually</u> (see meeting information at the top of the page)
Join guest speakers Neal Lemon, Ph.D., and Cheryl Young from Cooper Innovation Center to learn more about all of the many resources, tools, and support that are available to support intellectual property developments at Cooper. In addition, this session will include a walkthrough of the Cooper Innovation Center site and the new Inventor Portal.

April 2024: Use of External IRB Submissions
Tuesday, April 9th, at 12pm
This training will be offered <u>virtually</u> (see meeting information at the top of the page)
HRPP Specialist, Virginia Holman, will explain the complete review process from feasibility to final acknowledgement for studies at Cooper which utilize an external IRB of Record. This session will also provide guidance on submitting in Mentor using the "Use of External IRB" study type, along with an explanation of the local context review conducted by the Cooper HRPP.

May 2024: Statistical Support at Cooper
Tuesday, May 14th, at 12pm
This training will be offered <u>virtually</u> (see meeting information at the top of the page)
Cooper Biostatisticians Krystal Hunter, Ph.D., and John Dibato, Ph.D. will share their expertise on planning for statistical analyses in research and other scholarly work, offering tips for maximizing and navigating the statistical support and resources available to Cooper investigators. More information coming soon!
