

# Jumpstart Your Future in Nursing – Join Cooper’s Nurse Extern Program!

## Cooper University Health Care

Cooper University Health Care, located in Camden NJ, is a leading provider of comprehensive health services, medical education, and clinical research in southern New Jersey. Cooper University Hospital and our network of satellite offices provide the residents of South Jersey, Philadelphia and the entire Delaware Valley access to a wide array of services, which include prevention and wellness, primary and specialty physician services, hospital care, and ambulatory diagnostic and treatment services.

Cooper University Health Care is an equal employment opportunity employer and does not discriminate on the basis of gender, race, age, religion, disabilities, marital status, protected Veteran status, national origin, or any other category protected by federal or state law.

### At Cooper, we value:

**Compassion:** We are caring, kind, and empathetic taking action to relieve the suffering of others.

**Inclusion:** We respect others, value differences, and promote a sense of belonging for all.

**Excellence:** We are honest, professional, active, accountable, innovative, and passionate about quality.
