The Cooper Health System is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The Cooper Health System takes responsibility for the content, quality, and scientific integrity of this CME activity.

The Cooper Health System designates this live activity for a maximum of *1 AMA PRA Category 1 Credit™* per session. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of one hour of a continuing medical education (CME) course recognized by the American Medical Association, the American Osteopathic Association, or the American Podiatric Medical Association is equal to one hour of continuing education for New Jersey nursing license renewal (New Jersey Board of Nursing 13:37-5.3).

All planners, faculty, and others participating in continuing medical education activities sponsored by The Cooper Health System are expected to disclose all financial relationships. Documentation will remain on file in the Department of CME.

All planners, faculty, and others have indicated that they have no relevant financial relationships with a commercial interest/ineligible company that may have an impact on this CME activity.

The **learner objective** for this series is to educate our physicians with the most up-to-date information and improve patient care by gaining new information about therapeutic interventions, management principles, technological advancements, and prevention in the field of medicine. In addition, this series is used to relay new information about the political, economic, and social changes occurring in the medical world as well as advances in medical education.

The **intended audience** for this activity includes primary care physicians and all specialists within the Department of Medicine. Other health professionals including fellows, residents, medical students, physician assistants, and nurses may also benefit from participating in this educational activity.
