The Cooper Health System is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The Cooper Health System takes responsibility for the content, quality, and scientific integrity of this CME activity.

The Cooper Health System designates this live activity for a maximum of 2 AMA PRA Category 1 CreditsTM per session. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of one hour of a continuing medical education (CME) course recognized by the American Medical Association, the American Osteopathic Association, or the American Podiatric Medical Association is equal to one hour of continuing education for New Jersey nursing license renewal (New Jersey Board of Nursing 13:37 - 5.3).

All planners, faculty, and others participating in continuing medical education activities sponsored by The Cooper Health System are expected to disclose all financial relationships. Documentation will remain on file in the Department of CME.

All planners, faculty, and others for this CME activity have no relevant financial relationships with a commercial interest/ineligible company that may have an impact on this CME activity.

The **overall learner objective** for this series is to better understand, diagnose, engage, and treat patients with substance use disorders including but not limited to opioid use disorder, alcohol use disorder, stimulant use disorder, and sedative/hypnotic use disorder.

The **intended audience** for this series includes all practicing physicians, fellows, residents, and other health professionals.
