UPCOMING SESSIONS

JUNE 2025: INFORMED CONSENT LAB

Tuesday, June 10, at Noon-1pm IN-PERSON: Conference Center Room 103-104

Join us for a unique, hands-on opportunity to delve into the informed consent process among and with research colleagues. This in-person session is designed to allow attendees to demo the informed consent process together in groups or pairs. This opportunity will allow you to gain more insight to the participant experience and confidence in handling challenges in the informed consent process.

This training will be offered in-person only

JUNE 2025: **NEW & IMPROVED!** : COOPERCARE LINK WORKFLOW FOR STUDY MONITOR ACCESS TO PATIENT RECORDS

Tuesday, June 17, at Noon-1pm (VIRTUAL, via Teams)

This training will detail an updated workflow offered through [CooperCare Link](#), that will be used by research teams for requesting the release of research participant (patient) records to study monitors. This process ensures that study monitors can have secure, read-only access to the appropriate scope of medical records they need to review for monitoring purposes. Join Tanysha Powell, Epic Lead Application Analyst, to learn how to use this new workflow successfully, and ask questions! **Note: This training will include new workflow components and inclusions (based on requests received from stakeholder feedback) compared to the one described at our January 2025 training—all research staff are encouraged to attend!**

JULY 2025: INFORMED CONSENT: MAXIMIZING A PATIENT (PARTICIPANT)-CENTERED EXPERIENCE

Tuesday, July 15, at Noon
More Details Coming Soon!

AUGUST 2025: INFORMED CONSENT OF NON-ENGLISH SPEAKING PARTICIPANTS FOR RESEARCH

Tuesday, August 12, at Noon
More Details Coming Soon!

ALL ARE WELCOME TO JOIN!

The Cooper Monthly Research Education Series is designed to offer a valuable learning experience for individuals of all disciplines and knowledge levels.

Join our sessions for an opportunity to LISTEN, LEARN, & ASK QUESTIONS in a supportive environment alongside a diverse group of research colleagues.

Please Note: The Cooper Health System designates this live activity for a maximum of 1 AMA PRA Category 1 Credit™ per session. Physicians should claim only the credit commensurate with the extent of their participation in the activity per AMA guidelines.
