Award Details

Below is a summary of the nomination being created.

Armed Forces Person of the Year Award

** Please include answers to the below in the "Description of Achievement" field prior to submission.

• Nominee Military Branch of Service

• Community involvement may be demonstrated in several ways. It can come through patient support, volunteering with the homeless, working with schools, performing medical screenings, etc. Has the nominee supported any community involvement? If so, please describe.*

• A culture of belonging can be defined as an environment where team members feel safe, included, and valued. They're free to express their individuality without fear. How would you describe the nominee's actions in supporting a culture of belonging at Cooper?*

• Can you describe any activity or support by the nominee for patients or co-workers in support of Cooper values? Please provide details.*

• Do you have additional information in support of this nomination that shows that the nominee has gone above and beyond the call of duty here at Cooper and in the community?*
